Fred,

Attached is a memorandum discussing a table I have prepared at Lee Pollak's suggestion, comparing the figures we are supplying to Representative Luken with the figures in the December 1988 FTC report for the corresponding domestic brand styles. The FTC's figure for * Virginia Slims Menthol Light 100's is 9, while our figure for that brand style in Singapore is 12. I will call Owen on Monday morning.

David
